

# CAST IRON BLACK BOLT-DOWN BASE DINING

**COLLECTION:** Table Bases

**CFB-DH**

The Cast Iron Black Bolt-Down Base (Dining) offers a secure, floor-anchored solution for dining-height tables in commercial spaces that require maximum stability. By bolting directly to the floor, it reduces wobble and keeps tables firmly positioned, especially beneficial for tight floor plans, fixed seating arrangements, or high-traffic circulation areas.

Built from heavy cast iron with a black finish, it provides long-term durability and reliable support for everyday dining use.
