

CAST IRON BLACK T-BASE BAR

Set of 2

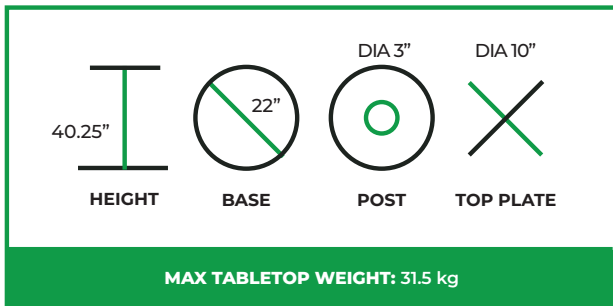

COLLECTION: Table Bases

CFT22-BH

The Cast Iron Black T-Base (Bar) comes in a set of two and is designed to support bar-height rectangular and banquet-style tabletops by using two bases to distribute weight evenly along the length of the table. Each T-shaped base provides a wide, stable stance that helps reduce rocking, while the centered column keeps the profile clean and maximizes leg room.

Built from durable cast iron with a black finish, this set is well-suited for high-traffic hospitality environments where strength and stability are essential.

KEY FEATURES:

- ♦ **Heavy-duty steel construction**
Built for lasting performance in high-traffic environments
- ♦ **Wide 22" T-base**
Provides excellent stability and balance
- ♦ **Reinforced 3" post**
Ensures superior structural support
- ♦ **Durable black powder-coated finish**
