

# CAST IRON BLACK CROSS BASE BAR

**COLLECTION:** Table Bases

**CFX22-BH**

The Cast Iron Black Cross Base (Bar) is built to provide enhanced support at bar height while maintaining an efficient, space-conscious footprint. Its heavy cast-iron cross base creates a wide, balanced stance that helps resist tipping and reduces movement in busy hospitality settings. A rigid central column supports a square top mounting plate with multiple fastening points, allowing tabletops to be secured firmly for dependable, long-term performance.

Designed for bars, counter-height groupings, and lounge environments, this base combines commercial-grade strength with a straightforward, functional silhouette.
