

# CAST IRON BLACK CROSS BASE DINING

**COLLECTION:** Table Bases

**CFX30-DH**

The Cast Iron Black Cross Base (Dining) is a durable, commercial-grade foundation designed for steady, everyday dining use. A solid center column anchors into a four-foot cross base that distributes weight outward for a balanced stance, helping reduce rocking and keeping tables stable in high-traffic environments. Its compact, open layout also supports comfortable leg clearance and easy chair placement.

Built from heavy cast iron with a black finish, this base is a reliable choice for restaurants, cafés, and communal dining spaces.
