

ASTER ARMCHAIR

COLLECTION: Euro

EU-001AC

The Aster Armchair is designed to offer exceptional comfort through its softly enveloping form and carefully shaped backrest. The gently curved back wraps around the sitter, providing supportive contact along the shoulders and upper back while encouraging a relaxed, natural posture. This embracing geometry creates a sense of comfort and stability without feeling heavy or restrictive.

The contoured seat and integrated arm structure work in harmony with the backrest to support extended seating, making the chair as comfortable as it is inviting. Balanced by a clean, well-proportioned base, the Aster Armchair delivers a thoughtful blend of ergonomic support and modern elegance, ideal for dining and hospitality environments where comfort and design must coexist.
