

BONNIE ARMCHAIR

COLLECTION: Euro

EU-002AC

The Bonnie Armchair is characterized by a fluid, embracing silhouette that blends soft geometry with refined structure. Its continuous, wraparound backrest curves gently into the arms, creating a supportive form that naturally cradles the sitter while maintaining an open, airy presence. The compact profile and smooth transitions between elements give the chair a sculptural quality that feels both contemporary and inviting.

Designed for comfort as well as visual impact, the contoured seat and supportive backrest encourage relaxed, upright seating suitable for extended use. Grounded by a clean, well-proportioned base, the Bonnie Armchair offers a harmonious balance of softness and stability, making it well suited to dining, hospitality, and social spaces that value comfort with a refined, modern sensibility.
