

BONNIE BARSTOOL

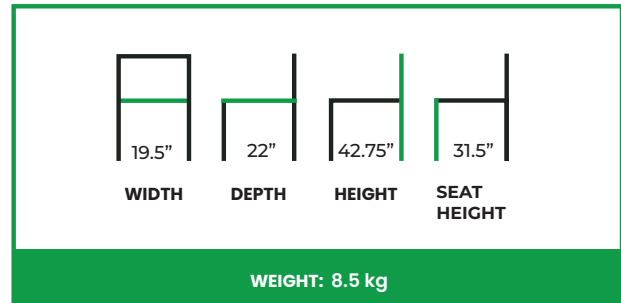

COLLECTION: Euro

EU-002BS

The Bonnie Barstool presents a soft, modern silhouette defined by smooth curves and balanced proportions. Its gently rounded backrest and cushioned seat offer supportive comfort while maintaining a light, uncluttered profile well suited to bar- and counter-height seating. The compact form and refined lines give the stool a poised presence that feels both contemporary and welcoming.

Designed for everyday use in dining and hospitality environments, the contoured seat and supportive back encourage relaxed, upright posture. A stable, well-proportioned base and integrated footrest provide functional support without disrupting the stool's clean aesthetic, making the Bonnie Barstool a versatile choice for spaces that value comfort, simplicity, and modern elegance.
