

PAVEL ARMCHAIR UPHOLSTERED BACK

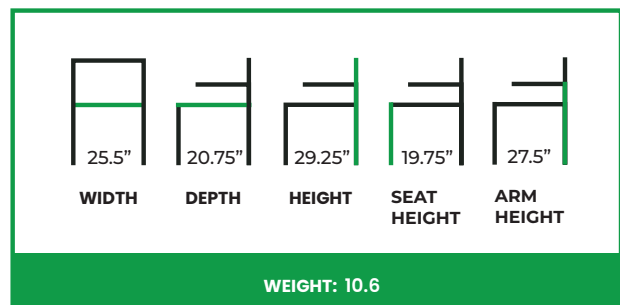

COLLECTION: Euro

EU-008AC-UB

The Pavel Armchair (Upholstered Back) presents a bold, architectural silhouette defined by strong vertical elements and a softened seating form. The fully upholstered backrest provides comfortable support across the upper back, while its gently curved shape adds warmth and approachability to the chair's structured frame. Integrated arms and clean transitions between elements reinforce a sense of cohesion and thoughtful design.

Designed for dining and hospitality environments, the contoured seat and supportive backrest encourage relaxed, upright seating suitable for extended use. Grounded by a solid, well-proportioned base, the Pavel Armchair balances firmness and comfort, offering a modern, confident presence that complements both contemporary and design-forward interiors.
