

PAVEL ARMCHAIR WOOD BACK

COLLECTION: Euro

EU-008AC-WB

The Pavel Armchair (Wood Back) expresses the Pavel design through a sculpted, open backrest that emphasizes structure, material, and clarity of form. The gently curved wood back creates a continuous line across the rear of the chair, providing support while maintaining an open, architectural presence. Strong vertical legs and integrated arms give the chair a grounded, confident stance balanced by the softness of its curved elements.

A contoured upholstered seat adds comfort and contrast, allowing the chair to feel inviting without compromising its clean, modern profile. Designed for dining and hospitality settings, the Pavel Armchair balances bold geometry with everyday usability, offering a composed, contemporary aesthetic rooted in thoughtful craftsmanship.
