

ARI BARSTOOL

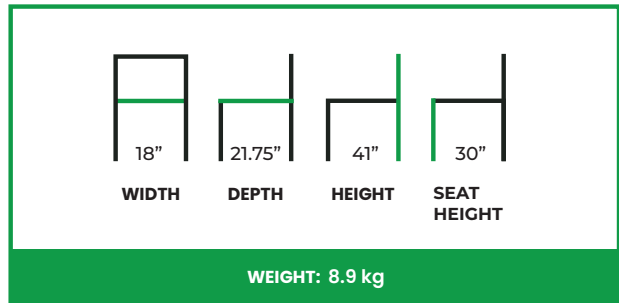

COLLECTION: Euro

EU-1056BS

The Ari Barstool carries the confident, mid-century-inspired character of the Ari collection into a refined bar-height form. Defined by clean lines and balanced proportions, its sculpted seat and supportive backrest provide comfortable, upright seating while maintaining a light, architectural presence. Gently tapered legs and an open frame contribute to the stool's poised, streamlined silhouette.

Offered in three distinct design expressions, the Ari Barstool allows for variation in character while preserving a cohesive overall form. Each option emphasizes thoughtful craftsmanship, ergonomic support, and visual clarity, making the Ari Barstool a versatile choice for dining counters, bars, and hospitality environments seeking timeless design with adaptable style.
