

ARI LOUNGE CHAIR

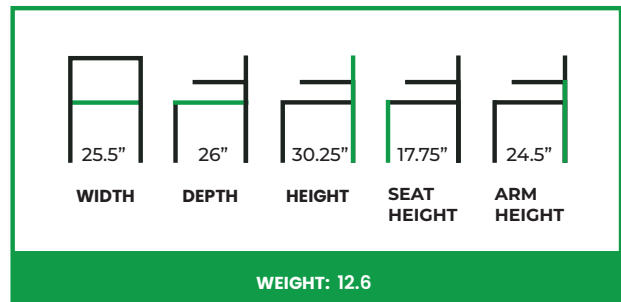

COLLECTION: Euro

EU-1056LC

The Ari Lounge Chair expands the Ari collection with a relaxed, mid-century-inspired silhouette refined through clean lines and confident proportions. Gently curved arms extend from the backrest to create an open yet supportive frame, offering a welcoming posture without visual heaviness. The slightly reclined back and generously cushioned seat encourage ease, making the chair well suited for lounge and social settings.

Available in three distinct design expressions, the Ari Lounge Chair allows for variation in character while maintaining a consistent architectural language. Each version emphasizes thoughtful craftsmanship, balanced structure, and everyday comfort, giving the chair a versatile presence that transitions seamlessly between hospitality lounges, waiting areas, and refined residential interiors.
