

MOUSSY ARMCHAIR UPHOLSTERED FRONT/ WOVEN BACK

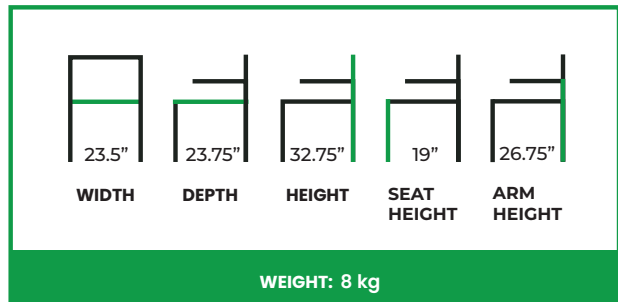

COLLECTION: Euro

EU-1084AC-UUPA

The upholstered front and woven back Moussy Armchair combines comfort and natural texture within a sculptural solid wood frame. The upholstered seat and front-facing backrest provide a soft, supportive seating surface, while the woven back panel introduces visual lightness and subtle material contrast. The gently angled back and flowing arm profile create an inviting silhouette suited for hospitality dining and lounge environments.

This version balances the tailored look of upholstery with the warmth and texture of woven detailing, highlighting the craftsmanship of the frame while maintaining comfort and durability. Tapered legs and integrated stretchers reinforce the structure, ensuring stability while preserving the clean, refined proportions that define the Moussy collection.
