

WESPES BARSTOOL FULLY UPHOLSTERED

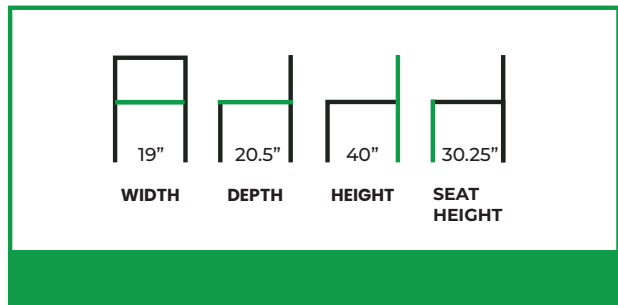

COLLECTION: Euro

EU-1128BS-UU

The Wespes Barstool features a refined silhouette defined by its gently curved backrest and supportive upholstered seat, creating a comfortable and balanced seating experience suited for hospitality dining and bar environments. The clean, tailored lines and solid wood frame give the design a contemporary yet timeless character, while the elevated proportions maintain a light and elegant profile.

The barstool is available in two back options to suit different interior styles. The fully upholstered version offers a seamless, soft appearance, while the wood back version introduces a natural material contrast with an exposed wood back panel paired with the upholstered seat.
