

MEMPHIS ARMCHAIR FULLY UPHOLSTERED

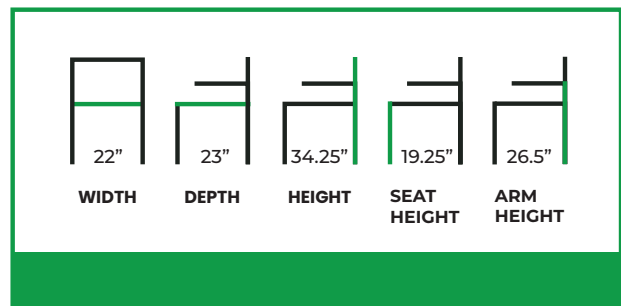

COLLECTION: Euro

EU-435AC

The Memphis Armchair blends clean architectural lines with timeless craftsmanship, creating a versatile seating piece suited for both classic and contemporary hospitality environments. Defined by its gently angled arms and solid wood frame, the design offers a balanced silhouette that feels both structured and welcoming. The upholstered seat adds comfort and softness, while the thoughtful proportions maintain a light and refined visual presence.

The collection features two backrest variations that bring distinct character to the same foundational design. One version showcases a fully exposed wood backrest that highlights the natural grain and craftsmanship of the frame, while the other introduces an upholstered back panel framed in wood for added softness and visual contrast.
