

MEMPHIS BARSTOOL FULLY UPHOLSTERED

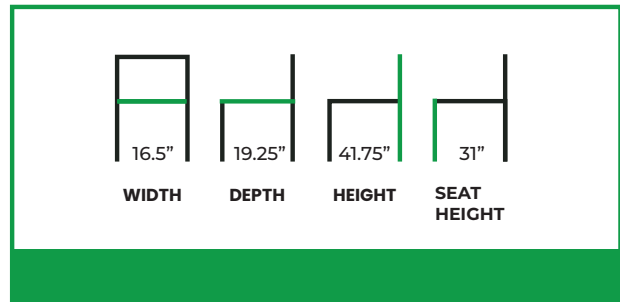

COLLECTION: Euro

EU-465BS

The Memphis Barstool reflects the same clean architectural character that defines the Memphis collection. A gently angled silhouette and solid wood frame create a balanced design that feels both structured and welcoming. The upholstered seat provides comfort and durability for everyday use, while the refined proportions maintain a light, versatile presence suited for hospitality dining and bar environments.

The design is available in four distinct backrest variations, allowing the Memphis Barstool to adapt to a range of interior styles. Options include a fully upholstered back for a softer, more tailored look, a wood back that highlights the natural warmth of the frame, a slat back version with horizontal wood slats that introduce subtle visual rhythm, and a multi-slat back that creates a more detailed and textured expression.
