

# CARTIER ARMCHAIR

**COLLECTION:** Euro  
**EU-618AC**

The Cartier Armchair presents a refined, contemporary interpretation of classic armchair design through its clean lines and carefully balanced proportions. Gently curved arms extend seamlessly from the backrest, creating a continuous frame that offers both visual harmony and supportive structure. The open profile lends the chair a light, architectural presence while maintaining a sense of composure and restraint.

Designed with comfort in mind, the supportive backrest and generously padded seat encourage relaxed, upright seating suitable for extended use. Slender legs and precise joinery reinforce the chair's tailored aesthetic, making the Cartier Armchair a versatile choice for dining and hospitality environments that value understated elegance, durability, and timeless design clarity.
