

DANIELLE BARSTOOL FULL WOOD

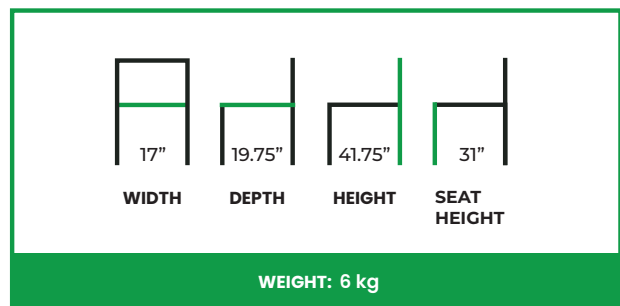

COLLECTION: Euro

EU-669BS-WW

The Danielle Barstool (Full Wood) presents the Danielle silhouette in its most pared-back, material-driven form. Crafted entirely in wood, the design highlights clean lines, gentle curves, and balanced proportions that create a light yet confident presence at bar and counter height. The sculpted backrest provides subtle support while maintaining an open, unobtrusive profile.

Designed for everyday use, the solid wood seat and stable, well-proportioned base offer durability and ease without excess ornamentation. An integrated footrest enhances comfort and functionality, making the Danielle Barstool (Full Wood) a refined, minimalist option for dining and hospitality environments that value simplicity, craftsmanship, and timeless design.
