

DANIELLE BARSTOOL

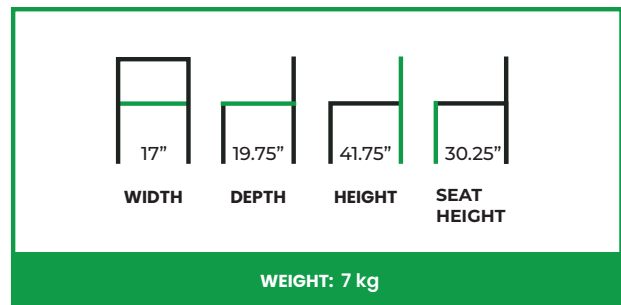

COLLECTION: Euro

EU-669BS

The Danielle Barstool presents a refined, contemporary silhouette defined by soft curves and balanced proportions. Its rounded backrest offers comfortable support while maintaining a light, open presence, making it well suited to bar- and counter-height seating. Available with either a sculpted wood back for a clean, material-forward expression or a fully upholstered back for added comfort and softness, the design allows for flexibility while preserving a cohesive form.

Designed for everyday use in dining and hospitality environments, the contoured seat supports relaxed, upright posture, while a stable, well-proportioned base and integrated footrest provide durability and ease of use. With its thoughtful blend of comfort and simplicity, the Danielle Barstool offers an elegant seating solution for spaces that value modern design with timeless appeal.
