

# SIGRID ARMCHAIR

**COLLECTION:** Euro

**EU-847AC**

The Sigrid Armchair is defined by a refined, continuous silhouette that blends soft curves with a confident, architectural stance. Its gently arched backrest flows seamlessly into the arms, creating an embracing form that supports the sitter while maintaining a clean, uncluttered profile. The open structure and carefully balanced proportions give the chair a light, composed presence well suited to contemporary interiors.

Designed for relaxed yet upright seating, the contoured seat and supportive back encourage comfort without excess bulk. Slender legs ground the design while preserving visual openness, making the Sigrid Armchair an elegant and versatile choice for dining and hospitality spaces that value modern restraint, thoughtful craftsmanship, and everyday comfort.
