

KIRA BARSTOOL FULLY UPHOLSTERED

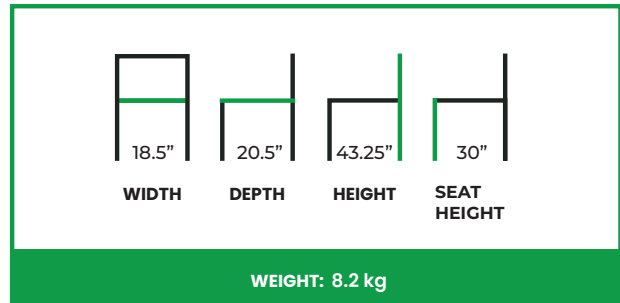

COLLECTION: Euro

EU-934BS-UU

The Kira Barstool showcases a refined silhouette defined by its softly rounded backrest and gently contoured seat. Offered in multiple upholstery styles, including smooth tailored finishes and structured tufted detailing—the design adapts seamlessly to a range of interior aesthetics while maintaining its clean, balanced proportions. The back panel may also be specified in exposed wood for a more minimal expression, highlighting the craftsmanship and natural grain of the frame.

A solid wood structure anchors the design with tapered legs and integrated stretchers that provide both visual lightness and structural integrity. The metal footrest enhances durability and comfort in high-traffic hospitality settings. Whether specified with a fully upholstered back, a wood back with upholstered seat, or a tufted upholstery treatment, the Kira Barstool delivers a cohesive blend of warmth, comfort, and understated sophistication.
