

KIRA LOUNGE CHAIR FULLY UPHOLSTERED

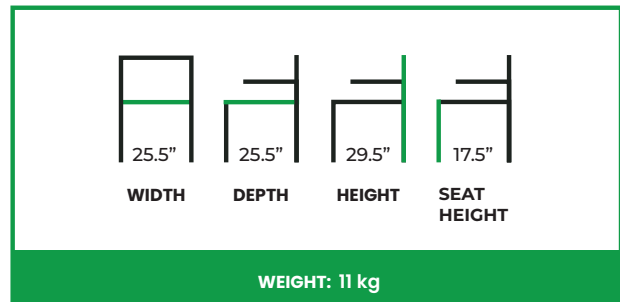

COLLECTION: Euro

EU-935LC-UU

The Kira Lounge Chair embodies a refined balance of sculptural softness and architectural structure. Its gently curved backrest and contoured seat create a cohesive, enveloping silhouette that feels inviting while maintaining a composed, tailored presence. Designed in a lower profile than the high back variant, this version offers a more relaxed visual stance without compromising ergonomic support.

Available in three distinct configurations—including fully upholstered, wood back with upholstered seat, and tufted upholstery—the Kira Lounge Chair allows for versatile aesthetic expression while preserving its core design identity. A solid wood frame with tapered legs and integrated stretchers provides structural integrity and subtle visual rhythm.
