

HARSDORF LOUNGE CHAIR HIGH BACK

COLLECTION: Euro

EU-941LC

The Harsdorf Lounge Chair High Back features an elevated, softly contoured silhouette that enhances its enveloping character. The extended backrest rises gracefully, creating a more supportive and cocooned seating experience while maintaining clean, tailored lines. Subtle shaping along the sides reinforces the wraparound form, giving the chair a sculpted yet refined presence.

Designed for relaxed, extended seating, the generously cushioned seat and supportive back promote comfort without compromising structure. Tapered wood legs introduce visual lightness and balanced proportion, grounding the chair with stability. This high-back variation of the Harsdorf Lounge Chair offers an elevated sense of comfort and sophistication, making it well suited for hotel guestrooms, lounges, and hospitality interiors seeking a slightly more dramatic profile.
