

ALESSI LOUNGE CHAIR

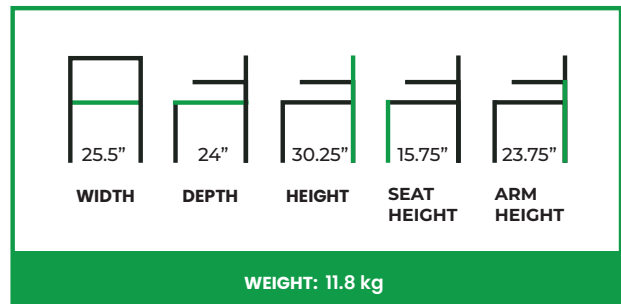

COLLECTION: Euro

EU-947LC

The Alessi Lounge Chair expresses a forward-looking design language through its fluid, sculpted form and enveloping silhouette. A continuous backrest wraps seamlessly into the arms, creating a cocoon-like shape that offers generous support while maintaining an open, architectural presence. Carefully considered cutaway details add visual depth and a sense of lightness, giving the chair a distinctly modern, almost futuristic profile.

Designed for relaxed, extended seating, the generously cushioned seat and supportive back encourage comfort without compromising clarity of form. Balanced by a clean, well-proportioned base, the Alessi Lounge Chair brings a refined yet expressive presence to hospitality lounges, social spaces, and contemporary interiors that value innovation, comfort, and sculptural design.
