

# HARSDORF BARSTOOL

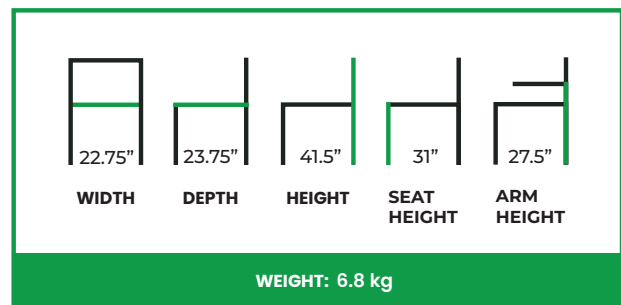

**COLLECTION:** Euro

**EU-972BS**

The Harsdorf Barstool carries the same softly sculpted silhouette and tailored presence as the armchair, thoughtfully elevated for bar and counter settings. The gently curved backrest provides supportive contact while maintaining a clean, refined profile. Smooth transitions between the seat and back create a cohesive form, while the streamlined proportions keep the design visually light.

Designed for comfortable, upright seating, the cushioned seat and supportive backrest promote ease during extended use. Tapered wood legs are reinforced with integrated stretchers that enhance stability and provide a convenient footrest. The Harsdorf Barstool delivers a balanced blend of comfort and contemporary character, making it well suited for bars, restaurants, lounges, and hospitality interiors.
