

JENA ARMCHAIR OPEN BACK

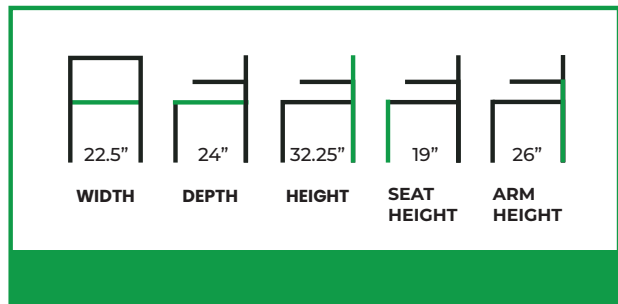

COLLECTION: Euro

EU-973AC

The Jena Armchair – Open Back is defined by its continuous, wraparound silhouette and softly sculpted form. The fully upholstered backrest extends seamlessly into integrated arm panels, creating a fluid enclosure that gently supports the sitter while maintaining a clean, uninterrupted profile.

The curved back wraps with a smooth, tailored finish, emphasizing comfort through both form and proportion. Subtle contouring at the arms and backrest provides ergonomic support without introducing visual heaviness, allowing the chair to retain a refined, architectural presence.
