The Cassian Barstool (Upholstered Back) carries the Cassian silhouette into a bar-height form with a softly sculpted, fully upholstered backrest that offers supportive comfort. The gently curved back flows seamlessly into the arms, creating an embracing profile that feels inviting while maintaining a light, open presence. Clean lines and balanced proportions give the stool a composed, timeless character suited to contemporary interiors.

Designed for relaxed, upright seating, the contoured seat and supportive back encourage comfort during extended use. A stable, well-proportioned base and integrated footrest provide everyday functionality, making the Cassian Barstool an elegant and versatile choice for dining counters and hospitality environments that value comfort, craftsmanship, and refined design.
