

# BUSCA ARMCHAIR FULL BACK

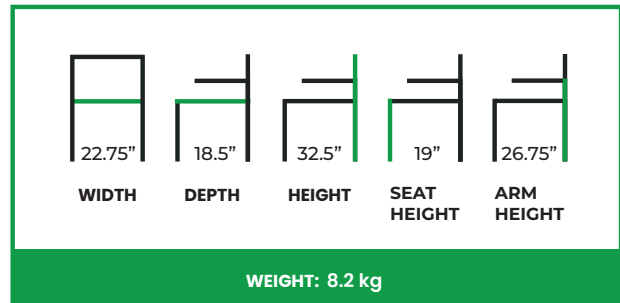

**COLLECTION:** Euro

**EU-990AC-FB**

The Busca Armchair is defined by its soft, sculptural form and inviting proportions. Gently curved arms and a supportive backrest create an enveloping silhouette that offers comfort without visual heaviness. The chair is available in two back styles: an open-back design that introduces lightness and a sense of airiness, and a closed-back version that provides a more enclosed, cocooning feel with added visual presence. Both options share the same carefully contoured seat and balanced geometry, ensuring consistent comfort and elegance.

Slender, tapered legs give the chair a poised stance while maintaining a light footprint, allowing it to integrate seamlessly into dining and hospitality environments. Designed for extended seating, the Busca Armchair balances ergonomic support with a calm, contemporary aesthetic, making it a versatile choice for restaurants, lounges, and social spaces seeking understated sophistication and adaptable design.
