

KEIR SIDE CHAIR

COLLECTION: Fusion

FN-0041SC

Refined and thoughtfully constructed, the Keir Side Chair balances timeless design with dependable performance. Its clean, tapered silhouette is supported by a lightweight yet durable aluminum frame, delivering structural strength while maintaining an elegant, understated profile. The upholstered seat and supportive back panel are carefully proportioned to provide comfort without excess, and a discreet handhold is integrated into the backrest for effortless handling and mobility.

Built for demanding commercial environments, the Keir Side Chair is well suited for dining rooms, banquet spaces, and professional or senior living settings. The aluminum construction ensures long-term durability and stability, making it a reliable seating solution that prioritizes function, comfort, and refined simplicity.
