

CAMDEN SIDE CHAIR

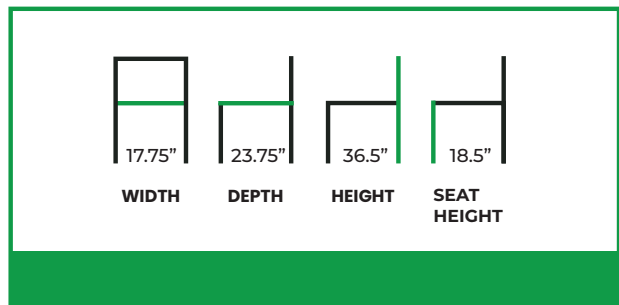

COLLECTION: Fusion

FN-0606-2SC

The Camden Side Chair pairs sharp tailoring with practical durability through its structured silhouette and well-defined proportions. The upright backrest and streamlined seat create a composed, supportive posture, while subtle surface variation adds depth and visual interest without disrupting the chair's clean profile. Tapered legs and refined detailing contribute to a sense of precision and balance, reinforcing its contemporary character.

Designed for multipurpose commercial environments, the Camden Side Chair delivers dependable comfort and stability while maintaining a crisp, modern aesthetic. Its thoughtful construction and restrained design make it a versatile solution for spaces that require both durability and visual clarity.
