

BARON BANQUET CHAIR

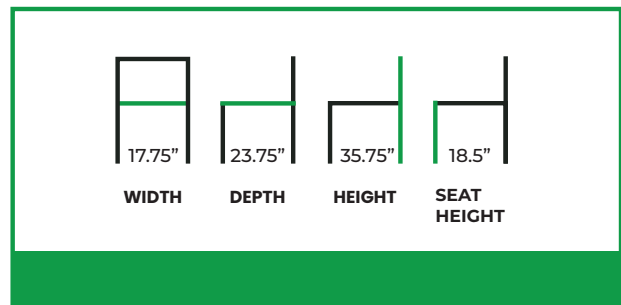

COLLECTION: Fusion

FN-0621BC

The Baron Chair blends traditional form with rugged utility, making it a dependable choice for high-capacity seating environments. Built on a reinforced aluminum frame, it features a sculpted shield-style backrest and a generously cushioned seat designed to provide lasting comfort and ergonomic support throughout extended use.

Subtle curvature in the legs and frame lends a refined, classic profile while maintaining structural strength. Designed with stacking capability for efficient storage and setup, the Baron Chair is ideal for banquet halls, conference centers, and hospitality venues seeking durability, comfort, and timeless styling in one versatile seating solution.
