

# ARMON SIDE CHAIR OPEN TOP

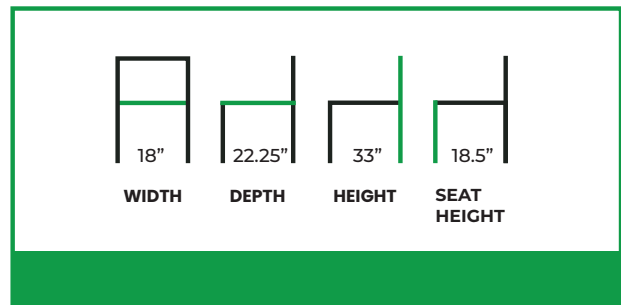

**COLLECTION:** Fusion

**FN-1261SC**

This Armon Dining Chair features an open-top backrest that introduces a lighter, more open expression to the chair's clean, modern profile. The gently curved frame maintains the chair's refined proportions, while the open detail enhances visual transparency and ease of movement around the table. A streamlined seat and minimal structure reinforce its understated, contemporary character while supporting everyday comfort.

Ideal for dining areas, senior living environments, and multifunctional spaces, this Armon Dining Chair variation offers the same balanced simplicity and versatility as the original design, with an added sense of openness that adapts easily to bright, communal interiors.
