

TENNAR SIDE CHAIR

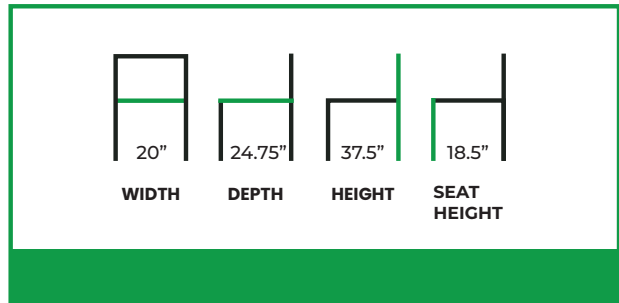

COLLECTION: Fusion

FN-220SC

The Tennar Side Chair blends refined simplicity with tailored sophistication through its gently sloping arms and softly curved backrest. The enveloping silhouette offers a sense of support and comfort, while the structured frame and tapered legs contribute to a poised, balanced stance. Subtle variations in surface treatment across the chair add depth without overwhelming the design, resulting in a piece that feels considered and cohesive.

Well suited for dining areas, lounges, and intimate meeting spaces, the Tennar Chair brings understated elegance and ergonomic comfort to a wide range of interior environments.
