

CLERMONT ARMCHAIR HALF ARM

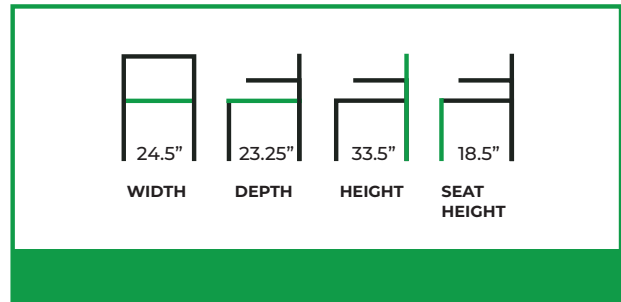

COLLECTION: Fusion

FN-2541AC

The Clermont Armchair emphasizes structural clarity and ergonomic design in a refined, modern form. Constructed with a durable aluminum frame, it features a clean, linear profile complemented by a gently contoured backrest that supports natural posture. The integrated armrests are subtly angled and structurally unified with the frame, providing stable support while maintaining a balanced, open silhouette.

Engineered for dependable performance in high-use environments, the Clermont Armchair pairs visual restraint with thoughtful construction. Its sturdy frame, reinforced joints, and supportive seat design make it well suited for dining, senior living, and hospitality settings, offering lasting comfort and reliability without unnecessary complexity.
