

ELUCID BARSTOOL

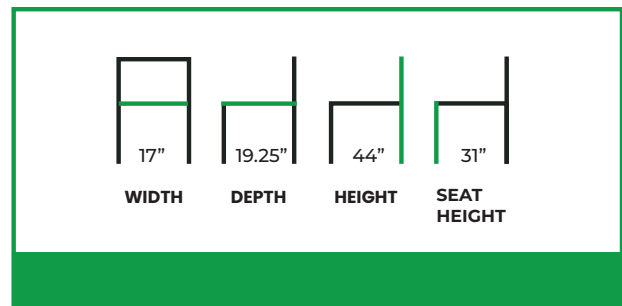

COLLECTION: Fusion

FN-2617BS

The Elucid Barstool combines classic proportions with a refined, architectural presence. Its ladder-style backrest introduces a familiar, timeless rhythm, while the gently contoured seat supports comfortable, upright seating. The wood-look aluminum frame delivers the visual warmth of traditional craftsmanship with the strength and resilience required for everyday use.

Gracefully curved rear legs soften the silhouette and add stability, complemented by an integrated metal footrest that reinforces durability in high-traffic settings. Well suited for bars, restaurants, and hospitality interiors, the Elucid Barstool offers a thoughtful balance of comfort, structure, and enduring style.
