

WORLEY SIDE CHAIR SLIM BACK

COLLECTION: Fusion

FN-2802SC

The Worley Side Chair delivers a clean, contemporary silhouette defined by soft geometry and thoughtful proportions. Its gently rounded backrest flows naturally into the seat, creating a cohesive form that feels both modern and approachable. Designed with comfort in mind, the padded seat and supportive back provide an inviting seating experience suited for extended use without visual heaviness.

Set on tapered stainless steel legs, the chair maintains a light, architectural presence while offering dependable stability. The armless design allows for easy movement and flexible placement, making the Worley Side Chair well suited for dining areas, lounge settings, or collaborative environments. Refined yet practical, it balances everyday functionality with understated modern design.
