

# KILTON SIDE CHAIR

**COLLECTION:** Fusion

**FN-2812SC**

Designed with a bold, contemporary sensibility, the Kilton Side Chair combines clean geometry with purposeful construction. Its sturdy steel frame delivers lasting structural integrity, while the angled leg design creates a strong, architectural stance that feels both balanced and dynamic. The exposed connection at the backrest adds a subtle industrial detail, emphasizing the chair's honest, modern construction.

Engineered for everyday commercial use, the Kilton Side Chair offers supportive seating through its carefully shaped seat and back panels, ensuring comfort without unnecessary bulk. Lightweight and easy to maneuver, it is well suited for dining rooms, cafés, and shared spaces that value durability, flexibility, and a confident design presence.
