

PINCH SIDE CHAIR

COLLECTION: Fusion

FN-5461SC

The Pinch Side Chair offers a softly sculpted silhouette defined by its compact proportions and refined curvature. Built on a durable aluminum frame, the design features a gently rounded backrest and a supportive seat that work together to provide comfortable, ergonomic seating while maintaining a light visual footprint. Subtle angles in the legs add stability and structure without overpowering the chair's understated form.

Well suited for dining rooms, hospitality settings, and collaborative environments, the Pinch Side Chair balances approachability with performance. Its streamlined profile allows it to integrate seamlessly into a variety of interiors, delivering dependable durability and everyday comfort in a clean, contemporary design.
