

VETRA SIDE CHAIR

COLLECTION: Fusion

FN-5553SC

The Vetra Side Chair introduces a gentle, contemporary silhouette defined by soft curves and balanced proportions. Supported by a slender metal frame, the chair features an oval-shaped backrest and a smoothly contoured seat that work together to provide ergonomic support without visual heaviness. Its streamlined structure emphasizes clarity of form while maintaining a welcoming presence.

Designed for dining areas, cafés, and shared environments, the Vetra Side Chair offers a refined blend of comfort and durability. The armless profile allows for easy movement and flexible placement, making it well suited to both intimate layouts and larger seating arrangements. With its understated design and dependable construction, the Vetra Side Chair delivers modern elegance with everyday practicality.
