

FINLEY ARMCHAIR

COLLECTION: Fusion

FN-5702AC

The Finley Armchair is defined by its sculpted silhouette and refined detailing, offering a sophisticated seating solution for hospitality interiors. Fully upholstered across the seat, back, and arms, the design delivers a cohesive, tailored look while providing comfortable, supportive seating. A subtle cut-out detail in the backrest adds visual interest and lightness to the form, enhancing both aesthetics and usability in active commercial settings.

Flared arms and a gently curved profile invite relaxed seating, while tapered legs and a durable aluminum frame provide stability and long-term performance. Well suited for restaurant dining areas, hospitality lounges, and hotel guestrooms, the Finley Armchair brings character, comfort, and understated elegance to spaces that value thoughtful design.
