

# AZURE BANQUET CHAIR

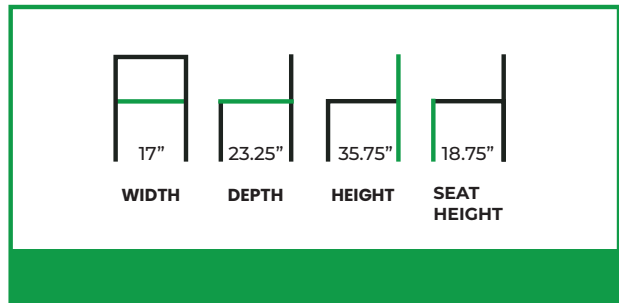

**COLLECTION:** Fusion

**FN-6216BC**

The Azure Banquet Chair balances durability and comfort within a clean, contemporary silhouette designed for demanding environments. Built on a sturdy aluminum frame, it features a gently flared backrest and a generously cushioned seat that provide reliable support during long events or extended seating arrangements.

Subtle details, such as the squared profile and softly arched rear legs, add visual interest while maintaining a professional, streamlined look. Integrated stacking glides enhance practicality, making the chair easy to store and reconfigure—an ideal solution for banquet halls, conference centers, and multipurpose venues that require both efficiency and refined design.
