

# SARDIS SIDE CHAIR STRAIGHT BACK

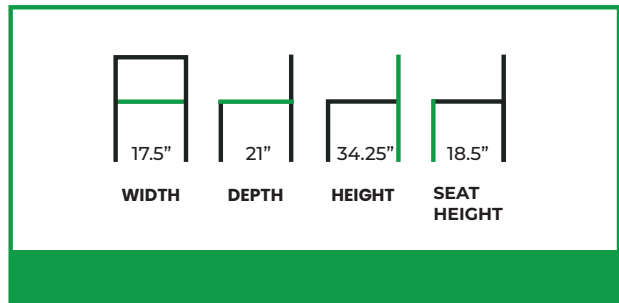

**COLLECTION:** Fusion

**FN-7161SC**

The Sardis Side Chair presents a refined, contemporary silhouette grounded in comfort and durability. Built on an aluminum metal frame, the chair features a gently curved backrest designed to provide natural support while maintaining a streamlined, uncluttered profile. Its armless form and clean geometry create an open presence that allows the chair to sit comfortably in both compact and open-plan layouts.

A generously cushioned seat enhances everyday comfort, supporting extended seating without sacrificing visual lightness. Subtly tapered legs contribute to a balanced stance and reinforce the chair's modern character. Suitable for dining areas, lounge settings, or multi-purpose environments, the Sardis Side Chair offers a versatile seating solution defined by thoughtful construction, long-term performance, and understated elegance.
