

SUMMIT BANQUET CHAIR

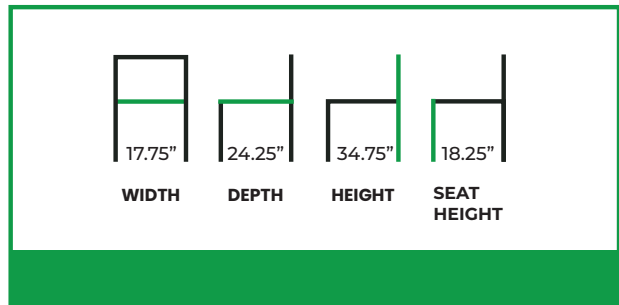

COLLECTION: Fusion

FN-7316BC

The Summit Banquet Chair embodies streamlined functionality with a sharp, modern edge. Constructed with a durable aluminum frame, its squared silhouette features precise angles and subtle tapering that create a clean, architectural profile. The broad rectangular backrest is lightly padded and upholstered in tailored fabric, providing consistent support and comfort during extended seating. A generously cushioned seat enhances the overall sitting experience while maintaining a crisp, contemporary aesthetic.

Designed for versatility in high-traffic environments, the Summit Banquet Chair offers easy stacking and effortless handling for efficient setup and storage. Reinforced construction and protective glides ensure long-term durability, making it well suited for conference centers, banquet halls, and modern event venues. With its balance of refined design and dependable performance, the Summit delivers flexible seating that meets both visual and functional demands.
