

ELLA SIDE CHAIR

COLLECTION: Fusion

FN-8441SC

The Ella Side Chair is a modern seating solution designed for contemporary dining and hospitality environments, combining clean lines with tailored comfort. Its structured, squared silhouette is softened by a gently angled backrest that promotes ergonomic support and relaxed seating. Inset panels on both the seat and back introduce subtle layering and visual depth, enhancing the chair's refined, architectural character. An open detail along the upper frame adds lightness to the design while reinforcing its modern aesthetic.

Ideal for restaurants, hotels, dining rooms, senior living spaces, and commercial interiors, the Ella Side Chair offers dependable comfort and lasting durability for high-use settings. Its well-balanced proportions and understated elegance allow it to integrate seamlessly into a wide range of interior styles, making it a versatile choice for designers and specifiers seeking a modern side chair that delivers both performance and visual appeal.
