

ELISE BARSTOOL

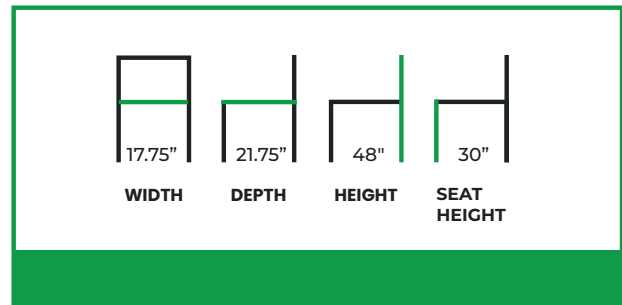

COLLECTION: Fusion

FN-8507BS

The Elise Barstool captures classic refinement through a graceful, time-honored silhouette. Defined by its signature round backrest, the design is supported by a slender wood-look aluminum frame with turned legs and delicate detailing that reference traditional craftsmanship. A softly cushioned seat enhances comfort, while the upholstered backrest adds depth and visual interest, including a subtle patterned detail on the reverse.

Balanced and elegant, the Elise Barstool is well suited for banquet spaces, formal dining areas, or traditional bar settings, offering enduring style paired with durable, low-maintenance construction.
