FN-8717BS

The Dommar Barstool offers a refined take on modern comfort with a clean, tailored silhouette. Featuring a gently curved upholstered backrest and a generously padded seat, it provides supportive seating without visual bulk. The structured form is balanced by straight, tapered legs and a reinforced footrest, ensuring stability and everyday durability.

A subtle contrast between the upholstered surfaces and the solid frame adds depth and sophistication, making the Dommar well suited for bar-height dining, lounges, and hospitality environments.
