**FN-922ISC**

The Windsor Side Chair presents a refined interpretation of classic European design, defined by its sculpted silhouette and decorative detailing. Constructed on a durable aluminum frame, the chair features an oval backrest crowned with an ornate floral crest that adds depth and visual richness. Gently contoured lines flow into the cabriole-style front legs, creating a sense of movement and traditional craftsmanship while maintaining structural integrity.

Designed for formal dining rooms, banquet halls, and upscale hospitality environments, the Windsor Side Chair pairs its elegant frame with a generously cushioned seat and backrest for composed, comfortable seating.
