

DOMMAR SIDE CHAIR

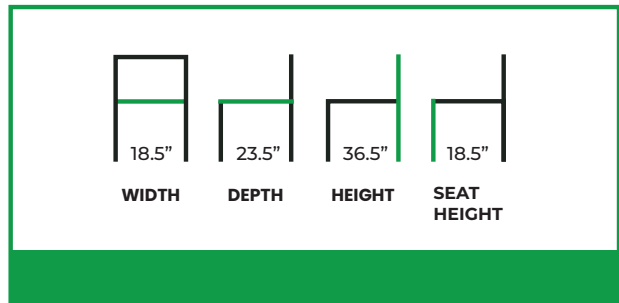

COLLECTION: Fusion

FN-9251SC

The Dommar Side Chair brings together timeless craftsmanship and contemporary design through its softly contoured silhouette and carefully refined proportions. A gently curved backrest flows seamlessly into the seat, creating a cohesive form that supports a natural, upright posture. The streamlined frame and subtly tapered legs lend the chair a poised, architectural presence, while the fully upholstered seat and back enhance comfort without adding visual weight.

Designed for dining areas, senior living environments, and multipurpose commercial spaces, the Dommar Side Chair offers approachable elegance with dependable performance. Its balanced design and understated detailing allow it to integrate effortlessly into a wide range of interiors, delivering both comfort and enduring style for everyday use.
