

FLEMING LOUNGE CHAIR

COLLECTION: Lounge Chairs

LS-342LC

The Fleming Lounge Chair features a graceful, curved silhouette that blends classic comfort with refined detailing. Its softly rounded back wraps around the seat, creating an inviting and supportive form that enhances both comfort and visual appeal. Vertical channel stitching along the interior adds texture and subtle structure, highlighting the chair's elegant proportions.

A smooth upholstered seat cushion complements the curved backrest, while tailored piping details outline the chair's form and emphasize its clean, polished finish. The exterior back panel introduces a contrasting upholstery element, adding visual interest and depth to the design.
