

PIERRE SOFA

COLLECTION: Sofas

LS-431SF

The Pierre Sofa features a clean, contemporary silhouette defined by its wide track arms and fully upholstered base. Its streamlined form is softened by a deep bench-style seat cushion and two plush back cushions that create a relaxed yet refined seating experience. The smooth upholstery and subtle piping details highlight the sofa's tailored construction while maintaining a minimalist, modern aesthetic.

Designed with comfort and simplicity in mind, the Pierre Sofa offers generous seating within a structured frame that feels both inviting and sophisticated. The low-profile base keeps the design grounded, allowing the soft cushions and crisp geometry to take center stage.
