

# ROLF SOFA

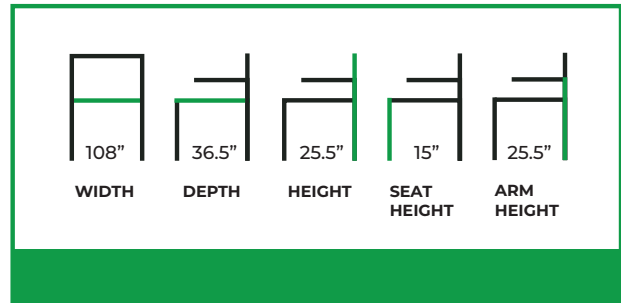

**COLLECTION:** Sofas

**LS-432SF**

The Rolf Sofa showcases a bold, contemporary silhouette defined by its rounded arms and seamless upholstered form. Its sculpted frame wraps smoothly around three generously proportioned seat cushions, creating a cohesive and inviting profile. The softly curved armrests transition fluidly into the backrest, emphasizing the sofa's clean geometry while maintaining a comfortable, supportive seating experience.

Anchored by a recessed base, the Rolf Sofa appears to float slightly above the floor, giving the piece a sleek and architectural presence. The contrast between the structured foundation and the plush upholstered seating highlights the sofa's modern character while preserving a sense of warmth and comfort.
